
Dear Test Health System,

Thank you for securing your Prezio account with two-factor authentication. The recovery key below provides an alternative way to access your account if you lose access to your authentication device.

Please store this recovery key in a secure location. Do not share it with anyone, including Prezio support staff. We will never ask you for this key.

Your Recovery Key:

SPZH-SGHZ-Q42M-627D

Important: If you lose both your authentication device and this recovery key, you may permanently lose access to your account.

Account Information:
